LUKOIL SRBIJA WINNERS' CARS READY FOR THE WINTER

LUKOIL SRBIJA has ceremonially handed out main prizes in a grand prize game that lasted from October 17 until November 14 of this year.

This time as well, consumers received useful and quality prizes. By filling-up on 15 liters of motor fuel or 25 liters of autogas, drivers acquired the right to participate in the prize game "Getting Your Car Ready for the Winter".

While LUKOIL SRBIJA'S spring prize game "Representatives of a Nation Without Gravity" was special due to the unusual prizes, the company tried to provide useful, high-quality and valuable gifts for the autumn campaign: two New Year's Eve in Moscow for two; 5 vouchers worth RSD 200,000 for the purchase of petroleum products; 10 goods vouchers for the purchase of tires in the amount of RSD 35,000; 10 car roof boxes; and more than 300 other prizes.

On November 29, a ceremony was held at the LUKOIL SRBIJA administrative building at which time the main prizes were ceremoniously awarded. Supply and Wholesale Director Nastas Mihajlović congratulated the winners, in the presence of the company's brand ambassador Vojin Ćetković, thanking them for their confidence and promising that LUKOIL SRBIJA would strive to maintain its various activities and campaigns that will be interesting and useful to its consumers.

Acknowledgments were handed out on this occasion, thanking the company's partners who run the gas stations, and who made the largest contribution to making this prize game a success, as well as to its business partners who helped with its implementation.
