WORLD CHAMPIONSHIP WINNERS VISIT LUKOIL SRBIJA GAS STATION

The LUKOIL SRBIJA gas station staff at "Dobanovci jug", near the "Nikola Tesla" airport, had the pleasure to host some of the celebrities of national championships winning sport – Brankica Mihajlović, Tijana Bošković, Jelena Blagojević and the young and promising players Bojana Milenković and Katarina Lazić. In their short break between the two most significant competitions this year – the successful qualification for the Tokyo 2020 Olympic Games and the European Volleyball Championship in Turkey, several members of Serbia national team were kind enough to spare some time to pay a visit to LUKOIL.

On the occasion, the volleyball players learned about the operation of our facility and spent some time socializing with us and sharing their experience with the tense qualifying matches for the Olympic Games held in Krakow, goals for the upcoming European Championship, as well as their plans for the future.

On behalf of the women's volleyball team, Brankica Mihajlović thanked LUKOIL SRBIJA, as the Official Gas Station of the Volleyball Federation of Serbia, for providing support to the Federation, both for the benefit of the national team activities, and the development of this sport in general. "As a team, players and staff, we believe in ourselves, work hard and achieve good results. We will try to defend the title at the European Championship in Ankara and justify the title of the World and European champion. We are happy that LUKOIL and the Volleyball Federation of Serbia play on the same team and I sincerely believe that together, we will achieve great results", said Brankica.
