LUKOIL PHOTO CONTEST - EVOKING MEMORIES

Photo Contest “Evoking Memories”, organised by “LUKOIL SERBIA”, following the meeting of the four-member Committee, headed by the well-known actor, Slobodan Boda Ninković, and professional photographer, Dušan Jauković, resulted in awarding the three best photographs. Out of numerous photographs, the Committee found it difficult to select the best one, since every photo was beautiful in its own way. The first three awards were given on the basis of the photograph creativity and message.

The 1st Place Award - two overnight stays on Mt. Zlatibor in “Mona" Hotel for the whole family, was given to Ivan Aleksić from Valjevo. The 2nd Place Award and a camera won Danijela Nikolić Božović from Kraljevo, while Jelena Mitrović from Belgrade won the 3rd Place Award and a travel bag. Still 20 more photographs were awarded with wall world map posters for exceptional effort and interesting ideas of the photograph authors so that they can plan their new voyages. As a sign of gratitude for participation in the “LUKOIL SRBIJA” Photo Contest, all participants will get a Certificate of Appreciation, signed by Boda Ninković, wishing everyone many beautiful trips in the future.
