LUKOIL SRBIJA DONATED YARD EQUIPMENT FOR THE BAMBI KINDERGARTEN IN POŽEGA

The 30-year jubilee celebrated this year by PAO LUKOIL, LUKOIL SRBIJA wi mark with a series of socially responsible projects, the first of which took place in Požega at the Bambi kindergarten center, in the form of donations of yard equipment for children attending this institution.

«On the occasion of our parent company's jubilee that marks three decades of its incorporation, LUKOIL SRBIJA AD, as a socially responsible company, has decided to donate equipment to this kindergarten for fun and games», HR Director Ana Janković said on this occasion. She expressed satisfaction that in the year of the jubilee, the company will contribute to improving the living conditions of citizens inhabiting cities where LUKOIL operates.

Snežana Šljivić, principal of the Olga Jovičić Rita preschool institution expressed her gratitude for this support, emphasizing that any donation and assistance means so much to the youngest members of society. «I hope that LUKOIL's example will be followed by other companies as well and that similar activities await us in the future, as there is a constant need for this. »

On this occasion, the donors from LUKOIL were also thanked by the Deputy Mayor of Požega, Ivan Novaković, stressing that this is proof that local governments provides support to all educational institutions in Požega, in different ways.

In addition to the donation to the kindergarten, LUKOIL SRBIJA will also make similar donations to six other local communities in Serbia.
