CAR AND COFFEE CARNIVAL AT LUKOIL SRBIJA PETROL STATION

The third in row gathering of old-timers and sports cars was held at the Avalski put petrol station as part of the Cars & Coffee event. This colorful meeting at LUKOIL SRBIJA petrol stations, organized in cooperation with the auto portals Autoslavia.com and Bud3.net, is becoming traditional, since the first such carnival was held in 2019.

The four-wheelers with a total value of around a quarter of a million euros gatehered at Avalski put. Individually, their price ranges from 10 to 60 thousand euros.

Attractive cars have become a part of the regular promotional activities of the Company, because their excursion ride starts every time from one of LUKOIL's facilities, and their final goal this time was Rudnik. This year's Cars & Coffee was marked by celebrating the 30th work anniversary of LUKOIL, and also the promotion of products and services offered by the LUKOIL SRBIJA retail network.

On this occasion, the long-term partner of our company, the Public Enterprise Putevi Srbije, popularized its action aimed at emphasizing traffic safety, entitled: Three seconds - a lifetime. Keep a safe distance. Save a life!

Members of the senior volleyball national team of Serbia, Slađana Mirković and Maja Aleksić, additionally emphasized the event with their presence. Within the three-year cooperation of the Company with the Volleyball Federation of Serbia, they participated in the promotion of the great jubilee of PAO «LUKOIL».
