THE MOST LUXURIOUS CARS IN THE WORLD STOPPED BY AT LUKOIL SRBIJA PETROL STATIONS

The owners of powerful cars participating in the Lion`s Run race took a break on their way through Belgrade and refueled at the LUKOIL SRBIJA Dobanovci jug and Aerodrom petrol stations, which welcomed prestigious guests with their rich offer. After a pleasant break, the luxury cars headed to downtown Belgrade, where visitors could see some of the most expensive cars in the world, such as the Ferrari SF90 Stradale, Lamborghini Huracan Evo, Pagani, Bugatti Veyron, Koenigsegg Agera, as well as Aston Martin DB11 racing.

This unique car event is organized twice a year, in summer and winter, in different locations around the world. This year, Belgrade was chosen as one of the destinations and thus became a distinctive auto racing center.
