PROMOTION OF TRAFFIC SAFETY AT THE LUKOIL SRBIJA VALJEVO 3 GAS STATION

At the LUKOIL SRBIJA Valjevo 3 gas station, JP Putevi Srbije and LUKOIL SRBIJA took part in a joint promotion of traffic safety. Traffic participants were made aware of a new educational campaign called "Three seconds your whole life", aimed at raising awareness about traffic problems. The main goal of the campaign is to turn public attention to the importance and possibilities of improving the level of traffic safety through education. The target group of this campaign are drivers of all ages and socio-economic status.

At the same time, a promotion of TAG devices that recently enriched this facility's offer was also held. From now on, this very useful device can be purchased at nine gas stations LUKOIL SRBIJA: Mihajlovac 1 and 2, Aleksinac highway, Minut levo, Grdica 1, Aerodrom, Dobanovci jug, Avalski put and Valjevo 3.
