NEW YEAR'S GIFTS HANDED OUT AT THE LESKOVAC CENTER FOR SOCIAL WORK

On the occasion of the opening of its new point of sale, Leskovac 2 gas station located on Vlasotinaиki put, LUKOIL SRBIJA company decided it would also secure 100 New Year`s gifts for children without parental care registered by the Leskovac Center for Social Work.

The distribution of packages was organized within the premises of the Leskovac Center for Social Work, and the packages were handed over to the children by representatives of LUKOIL SRBIJA, Svetlana Šuković, public relations manager and Miško Milev, regional manager. Thanking Predrag Momиiloviж, director of the Center, for their cooperation, they addressed the children and their guardians with the words that such and similar activities will be carried out in the future, because LUKOIL SRBIJA wants to nurture a socially responsible attitude towards the community within which it operates. The year 2021 was a jubilee for the company and a large number of socially responsible projects were realized. The company intends to continue the same program in the following year.

The director of the Center, Predrag Momиiloviж, thanked for the attention and joy that LUKOIL SRBIJA has, once again, brought to the protйgйs of the Center. He pointed out that this institution will strive to constantly improve the care of its protйgйs, and called on other companies to follow its good example.
