# LUKOIL SRBIJA DONATED A SUMMER HOUSE WITH A SAND BOX FOR ČUPERAK KINDERGARTEN

In the recently opened kindergarten Čuperak in Laćarak, a summer house with a sand box was handed over by LUKOIL SRBIJA within the new cycle of socially responsible activities aimed at children and youth. Donation by LUKOIL SRBIJA company, in the form of a summer house and sand box for the kindergarten Иuperak is one of the examples of a partnership according to a program, which emphasizes the development of relationships and the building of partnerships, both with the family and the local community.

The HR Director of the company, Ana Janković, pointed out that LUKOIL continues its program that started last year, to reconstruct or equip playgrounds in kindergartens and schools. During the last year, the company equipped children's institutions, took part in ecological and humanitarian activities in 10 Serbian cities. By the end of this year, LUKOIL SRBIJA will continue to implement this type of cooperation.
