LUKOIL CONTINUES TO SUPPORT THE PLAYGROUNDS PROGRAM IN SERBIAN TOWNS

The new playground in kindergarten Naša radost in Kovin is the Company`s 7th project of this kind in 2022. LUKOIL SRBIJA has been implementing a program for socially responsible projects aimed at different children's institutions, for the second year in a row, with the objective of fostering learning through outdoor play with practical props and equipment, such as swings, slides, playhouses, sandboxes, openair classrooms. The company is aiming to promote the harmonious development of children and foster their creativity, responding to real needs of children institutions.
