TOGETHER FOR PUPILS OF THE NIŠ SVETI SAVA ELEMENTARY SCHOOL

LUKOIL SRBIJA starts an action from 20 January to 10 April 2023 providing support to Sveti Sava Elementary School. From each sold liter of ECTO fuel at five LUKOIL petrol stations in Niš, RSD 1 will be allocated for the the largest elementary school in the area.

This action is inspired by the LUKOIL's effort to support the local community at the territories of the Company's operation. Raised by the loyal LUKOIL consumers and citizens of Niš funds will be used for the equipment of necessary subject-based classrooms in this elementary school.
