LUKOIL SRBIJA CONTINUES TO PROVIDE SUPPORT TO EDUCATIONAL INSTITUTIONS

LUKOIL SRBIJA company effected the donation to enable the modernization and functioning of the Internet in the building of the Karlovac Theological Seminary. Cables and equipment for the stable functioning of the Internet connection and the secure and uninterrupted operation of this institution were purchased and installed.

The church educational institution celebrates 230 years of operation this year. Found in 1794 the Karlovci Theological Seminary is the second theological school in the Orthodox world.
