LUKOIL SERBIA DONATED EQUIPMENT FOR THE SENSORY ROOM AT THE "DUGA" KINDERGARTEN

LUKOIL SERBIA donated funds to equip the sensory room in the kindergarten "Duga", intended for children with special needs of the entire preschool institution "Miša Cvijović" from Prijepolje. The donation provided: an interactive light and sound panel, a sensory tube with bubbles, a sensory mat, a balance hemisphere, a balance pillow, liquid-filled tiles, and a light projector.

The official opening of the first such facility in this part of Serbia was attended by representatives of the Company, the preschool institution, and the municipality of Prijepolje.

For the fifth year, LUKOIL SERBIA has been responding to initiatives that contribute to a better quality of life in the local communities in which it operates. In addition to various humanitarian and socially responsible projects, the company has also participated in projects aimed specifically at supporting children's institutions.
