The guests were welcomed by the "LUKOIL SRBIJA" AD CEO, Andrey Kuku. He thanked to the consumers for the trust they have placed in the brand and congratulated to Mr. Kovač. "It is my great pleasure that such a great number of customers participated in the sweepstakes, thus having a chance to convince themselves of the quality of LUKOIL ECTO fuel. We all have the right, as consumers, to look for the best, and ECTO is exactly that", Kuku emphasized.

Within the event program hosted by Nina Lečić, Mr. and Mrs. Kovač offered coffee to all customers who found themselves at that moment at the LUKOIL filling station.
