OLD-TIMER GATHERING AT AVALSKI PUT GAS STATION

The traditional Prince Tomislav Rally, organized by the Old-Timer Club in Belgrade for years now, gathered numerous old-timer cars, which took the road via Oplenac from the LUKOIL SRBIJA Avalski put gas station.

Visitors had the opportunity to see a kind of old-timer exhibition. Some of these extremely rare and valuable cars were manufactured at the beginning of the last century. Bringing back the spirit of past times, in bright issues, the old-timers drew great attention, from both adults and youngsters, this time as well.

Before the Karadjordjević family, this traditional event was supported at the Avalski put gas station by Prince Mihajlo and Princess Ljubica Karadjordjević.
