LUKOIL MOTOR OILS PRESENTED AT THE INTERNATIONAL CAR FAIR IN BELGRADE

During the International Automobile Fair "DDOR ECO BG CAR SHOW 07" held from May 12th to the 15th at the Belgrade Fair under the slogan "Natural revolutions per minute" LUKOIL SRBIJA presented to the public a wide range of high-quality LUKOIL motor oils, suitable for use in both the most modern engines and older models. In the Hall 3, dedicated to old-timers and different types of old cars, Old-timer Club Belgrade in cooperation with LUKOIL SRBIJA, organized a spectacular exhibition of old cars and prestigious collectibles. The unprecedented gathering included 103 old cars.

The exhibition was organized into thematic units, in order to give visitors the opportunity to travel through time and the history of the automotive industry to the time between the two world wars and to the time of the first fair exhibition at the Belgrade Fair. A separate and exclusive segment of this exhibition is a retrospective of domestic "Zastava" products, a thorough history of the decade-old backbone of the Yugoslav and Serbian car industry.

These most important annual event in the auto and motorcycle industry sector in the region and in Southeast Europe, were held after a two-year break. One of the topics of this year's fair was environmental sustainability.
