LUKOIL DONATED EQUIPMENT FOR PROPER MOTOR DEVELOPMENT OF CHILDREN IN KINDERGARTEN LABUDIĆI

LUKOIL SRBIJA donated equipment for proper motor development of children in the yard of Nursery School "Labudići" in Bečej, attended by kids at one to three years of age. A playground with rubber surface has been constructed and portable gaming props and mats of different forms and sizes procured; thus, children will equally be able to use them both outdoors and indoors, depending on weather conditions.

When it comes to the continuation of LUKOIL`s program of support to children institutions, commenced last year in the whole Serbian territory, the Company has made a decision to help to provide conditions in kindergartens and schools to enable proper motor development of children, to support equipping of playgrounds for the youngest. The donation was delivered by Ana Janković, HR Director LUKOIL SRBIJA, to Principal of the Preschool Institution "Labud Pejović" fron Bečej Tatjana Mitić.
