OUTDOOR PLAYGROUND EQUIPMENT FOR CHILDREN OF THE KINDERGARTEN "DUGA" IN PRIJEPOLJE DONATED BY LUKOIL

Continuing its socially responsible activities in the places of its business operations, LUKOIL SRBIJA supported equipping of the Kindergarten "Durga" playground. The Company implemented similar projects in ten towns and cities and continued these activities on the implementation of this program in 2022 in agreement with the principals of the school and preschool institutions.

LUKOIL SRBIJA donation is of great significance for Kindergarten "Duga", and for the preschool institution as a whole, since the lack of equipment was already a problem in all five facilities it includes. The Preschool Institution "Miša Cvijović", Principal, Ms. Violeta Tošić, thanked the Company LUKOIL SRBIJA for understanding this issue and reacted through the rapid project implementation.

Handing over the playground for use Ana Janković, HR Director, emphasized that Company wants to help proper psycho-physical development of children, sothe local population does not recognize it only by the product, fuel, but also other useful activities for the community.
