NEW PLAYGROUND IN RIBARE

LUKOIL SRBIJA donated a multi-purpose playground in the center of the Ribare community, near Kruševac. The polayground is equiped with a variety of outdoor equipment, climbing frames, slides and other devices for kids to play and socialize. In addition to the multi-functional playground, the Company helped to lay the concrete base and a special rubberized surface, so that this space would be comfortable and safe for children.

The doantion was effected by LUKOIL as a response to the local community's request to improve the conditions for the youngest residents of Ribare, and to increase the motivation for young families to stay in rural areas. LUKOIL SRBIJA continues the program of equipping children's playgrounds since 2021.
