LUKOIL NAMES THE WINNERS OF THE COMPETITION "BEST IN THE PROFESSION" IN SERBIA

At the "Ostružnica" petrol storage and at the "Trg Branka Radičevića" petrol station in Belgrade, the Professional Skills Competition of "LUKOIL SERBIA" employees for the title "Best in the Profession" was held. More than 20 employees participated in the competitions.

Participants demonstrated theoretical and practical skills in solving production tasks. The winners are chosen according to the number of points won. Fulfillment of work tasks and requirements of industrial safety and protection at work was evaluated by the competition commission, which consisted of "LUKOIL SERBIA" experts.

The winners of "LUKOIL SERBIA" competition of professional knowledge were selected in three categories. All participants showed excellent skill, creative approach to work, improved their knowledge and shared experiences, strengthening the sense of a tight team.
