SUPPORT FOR THE DEVELOPMENT OF TALENTED ATHLETES

As part of its program of socially responsible projects, LUKOIL SERBIA supported the further development of the best swimmer in Serbia in the pioneering competition in 2024, Boško Đekić. The company allocated funds for the purchase of fuel for the needs of traveling to domestic and international competitions of one of the top prospects of Serbian swimming in 2025, such as the World School Games, Banjaluka Open and others.

During 2024, Boško, as an older pioneer, won 56 gold, 16 silver and one bronze medals at international competitions. At the Summer National Championships of Serbia, he became the national champion in his favorite discipline - 50m freestyle and won three more silver medals. At the Winter National Championships, he won four gold medals and one silver. He ended 2024 with the "Young Swimmers League" competition in Novi Sad, where he was awarded the trophy for the most versatile swimmer.
