COOPERATION WITH THE CITY OF BELGRADE-FINAL WORKS ON THE GREAT HALL AT THE CHILDREN'S CENTER

Goran Vesić, the City Manager and Vesna Ružičić, the Sales Manager at "LUKOIL SRBIJA" AD, toured the Great Hall at the Children's Cultural Center in Belgrade where finishing works are under way on its renovation. This project is part of a cooperation concluded between the company and the City of Belgrade last year worth 20 million dinars.

Vesić expressed his pleasure that another project intended for children will be completed according to high-quality standards and that, after 50 years, a completely renovated Great Hall will reopen its doors to the children of Belgrade and Serbia. "In the last two years, the City has invested about 35 million dinars in the reconstruction of this facility and now, thanks to the donation from LUKOIL, we have managed to renovate the Great Hall that will soon carry the name Donka Špiček", noted Goran Vesić.

The City Manager thanked LUKOIL SRBIJA on the donation and reminded those present that every year this company donates funds for city projects such as the FEST, the Documentary Film Festival and other manifestations as well as the implementation of specific projects of significance for the community.

Vesna Ružičić, the Sales Manager at "LUKOIL SRBIJA" AD stressed that her company will continue to support similar projects and expressed her satisfaction at the quality of works and the new look of the Great Hall. "In addition to our commercial activities, we strive to give our contribution to all segments of society and we are very pleased to have been able to make the children of Belgrade happy."

The tour was also attended by the Director of the Children's Cultural Center, Dragan Marić, the Assistant Director for Program Activities, Leontina Vukomanović and the Chairman of the Board, Minja Subota.
