PRIZE COMPETITION "IT'S WHAT MAKES US MOVE THAT COUNTS"

As part of the promotional activities taking place in the Lobby of the Sava Center in Belgrade during FEST 2017, of which the Company "LUKOIL SRBIJA" is a general sponsor, a prize competition will be organized for visitors from February 24 until March 05, 2017. For the duration of the competition, a total of 23 of the most interesting or most creative suggestions will be rewarded.

Each participant will receive a postcard from LUKOIL'S promotional team, at the Company's booth, with the task of responding to the theme "It's what makes us move that counts". The Jury consisting of three Company representatives will, after March 05, 2017 and within the following 10 days, reward some of the most interesting or creative suggestions. The very attractive awards include 20 tickets to the monodrama "Coffee with Duchess Ljubica" at the Residence of Duchess Ljubica (Konak Kneginje Ljubice), a fuel voucher in the amount of RSD 3,000 and a fuel voucher in the amount of RSD 5,000, to be used at our gas stations. The grand prize is a supporting role in our Company's upcoming promotional video.

At the opening ceremony of this year's FEST, the visitors had the pleasure of witnessing the performance of the pianist and singer Iva Kon at the "LUKOIL SRBIJA" booth. The young artist, who already has noteworthy international concert experience, performed tracks from her jazz and evergreen repertoire.
